

**Soliciting Funds From/By School Personnel**

A. Soliciting Funds from School Personnel

No person is to enter any school grounds or properties for the purpose of soliciting funds without the written consent of the superintendent.

The United Fund shall be permitted to have an annual drive for the solicitation of funds from employees.

B. Soliciting Funds by School Personnel

No school-related organization shall engage in fund-raising projects or solicitation in the community without prior approval of the Stafford County School Board.

C. Emergencies and Disasters

The superintendent is authorized to approve the solicitation of voluntary contributions to local fund drives that are of an emergency nature or that are in response to disasters having a strong emotional effect on the community.
